

PSMA Energy Storage Committee Meeting Minutes 9 Feb 2022

Attendees:

John Horzepa, Ed Herbert, Eric Schneider, Ada Cheng, Mike Hayes, Shafi Khadem, Patrick LeFevre, Justin Farrelly, Peter Victor

Discussion:

- The meeting discussion revolved around finalization of the APEC presentations. One person dropped out, so Ada C. proposed that Dr. Babu Chalamala could repeat or slightly modify his presentation for the marketing committee IS and present again at our IS. The committee agreed to pursue this proposal.
- Shafi K. will probably have difficulty attending in person, so perhaps Padraig Lyons can substitute.
- Next meeting will be in person at APEC, 23 March at 10 am.
