Are you overwhelmed with product compliance standards?

IEC
EN
REACH
FCC
EEC
UL
TUV
FCC
IPC
IEEE
CCC
UL
TUV
IPC
G5
CCC
UL
TUV
IPC
VCC
AS/NZ
K-21
CE
JIS
SEMI
K-21
ICES
GB
ISO
CISPR
ROHS

Staying abreast of changes is difficult

What you need to know

- Latest revision
- Latest update activity
- Latest proposed standards
- Adjacent or associated standards
- Latest harmonization

PSMA is introducing a Power Electronics Product Safety & EMC Standards Service

- Stay up-to-date with a PSMA service
 - Access to an on-line standards database
 - Receive latest standards activity announcements by email – daily and weekly
- Sign up for free access
- Available to anyone

Database Covers

- Number of Regions: 4
- Number of Countries: more than 23
- Specific states
- Compliance with
 - Product Safety
 - Environmental
 - EMC
 - Materials Toxicity
- Links to other on-line standards listings

Project Status

- **Standards activity announcements**
 - Sign-up right away
 - Announcements will immediately be sent to you
 - Either daily or weekly depending on announcement
- **Database**
 - Database became active in February
 - More standards to be entered over the next couple of months
 - Available to use – right away
 - It is updated daily

Access to Database

- It is on the PSMA Website
- Address: http://www.pdma.com/technical-forums/safety_standard/safety_standard_database

- **Non-members:**

Typical Announcement

The screenshot shows an email client interface. At the top left, there are buttons for 'Send', 'To...', and 'Cc...'. The 'Subject' line reads 'FW: UL's new issue of The Code Authority is ready for download'. The main body of the email contains the following text:

To: PSMA Safety & Compliance Committee members and persons with EEDB access
Here is the latest from UL. For your information, we will post this on the SSDB. This information is provided to you for free from the Power Sources Manufacturers Association.

From: UL [mailto:ulregulatoryservices@Replycentral.com]
Sent: Tuesday, January 19, 2016 8:14 AM
To: arnold.alderman@anagenesis-inc.com
Subject: UL's new issue of The Code Authority is ready for download

If you have trouble viewing this email, [click Here.](#)

Below the text is a video player. The video frame shows a close-up of a green keypad with red buttons, with the text 'THE CODE AUTHORITY' and the UL logo overlaid on the left side.
